Subject: legal issues r2c with response attempts for OGC
Attachments: OX5034 r2c Comments on Legal Issues (002) 03 03 2020.docx

Ben and Chris,

The attached document summarizes the comments received in relation to the OX5034 EUP that we believe pertain to legal issues and require OGC input. We currently have a draft answer for jurisdiction question.

As we discussed our current PRIA due date for the action is March 31, 2020. Let us know your possible timeline and if we need to set up a discussion, I'm happy to do that.

Thanks.
